	e Registration		

2. Swipe your badge over the card reader. The device will recognize that your badge has not been registered yet and will change to the registration screen (shown below).

Main Menu	REGISTER CARD	ABC DEF Energy Saver
Quick Menu	Your ID Card is unknown. Please log in with your user name and password to register your ID Card. User Name:	4   5   0     PQRS   TUV   WXYZ     7   8   9     Settings/   Registration     *   0   #
Status Monitor/ Cancel	Pessword: Tap to open keyboard Cancel Login	Log In/ Out D Clear Counter Check Reset Start Stop
Uniflow Badge	e Registration	Processing/ Main Data Error Power

3. Tap the white data field next to User Name to prompt the keypad display. Enter your username (the one you use to log into your computer, first initial and last name) and then press OK.

\*NOTE: If you change your password on your computer, you WILL need to repeat the above steps!

4. Repeat the step three process for the Password section. Press Login.

\*\*From this point on, you will only need to swipe your badge to access the machine. This applies to all machines, you do not have to register your badge at each device.
