Duplicate Credits

Moving Duplicate Credits to Local Section

Guidelines for Duplicate Credits

Duplicate Credits

If a student comes from another school district with duplicate credits, we need to honor the AAR and leave the duplicate credits exactly where they are. The exception will be if the student graduates (Withdrawal code 01).

If a student graduates (withdrawal Code 01) any duplicate credits that the student has from a previous school district or Texans Can, the duplicate credit **MUST** be moved to local credit.

If a student acquires duplicate credits during their enrollment at Texans Can, the duplicates **MUST** be moved to Local Credit regardless of the withdrawal code.

Substitute Process

Short Term

Among your campus staff find a person who can take over the class

1. Use the Teacher Assistant
2. Use the Network Sub If you hired one
3. Any Teachers
4. Instructional Coaches

Teachers can only cover 1 extra period at a time. A teacher can substitute no more of one additional absence.

If you use an instructional coach, they will get paid ONLY for Substituting during their instructional periods. If they substitute during their coaching period, they will not receive payment. Teachers or instructional coaches that use their planning periods to cover class will get paid. If you can not find a staff member, please contact C&I for assistance finding a teacher within the district to substitute.

Long Term

Have a meeting with C&I, HR and Finance to find the best solution to find a long substitute in the district
