

Compliance Unit Virtual Showcase Tour

Purpose

The purpose of the visits is for campuses to showcase and share current processes and best practices in order to assist the Compliance Unit in creating the new 360 2.0.

Objectives

- Learn campus' best practices that we can adopt districtwide
- Build relationships with campus' staff and principals
- Obtain feedback relating to possible areas for support

How would that look like?

Conversation Topic

Testing procedures – describing the process

For example:

Our process is ... and here are some of the tools/artifacts that we use that are very helpful in carrying out this process.

How does the Showcase Tour complement the Texans CAN Compliance Unit's Vision?

To provide a unified path that inspires continuous improvement to increase student achievement through integrity and accountability.
