WHY???

Gradebook

LMS

schoolology®

Learning Management System (LMS)

- Focus is on delivery of content to students (like homework assignments, tests, quizzes, etc...)
- Primarily used by teachers and students, but can extend to parents and school administrators.

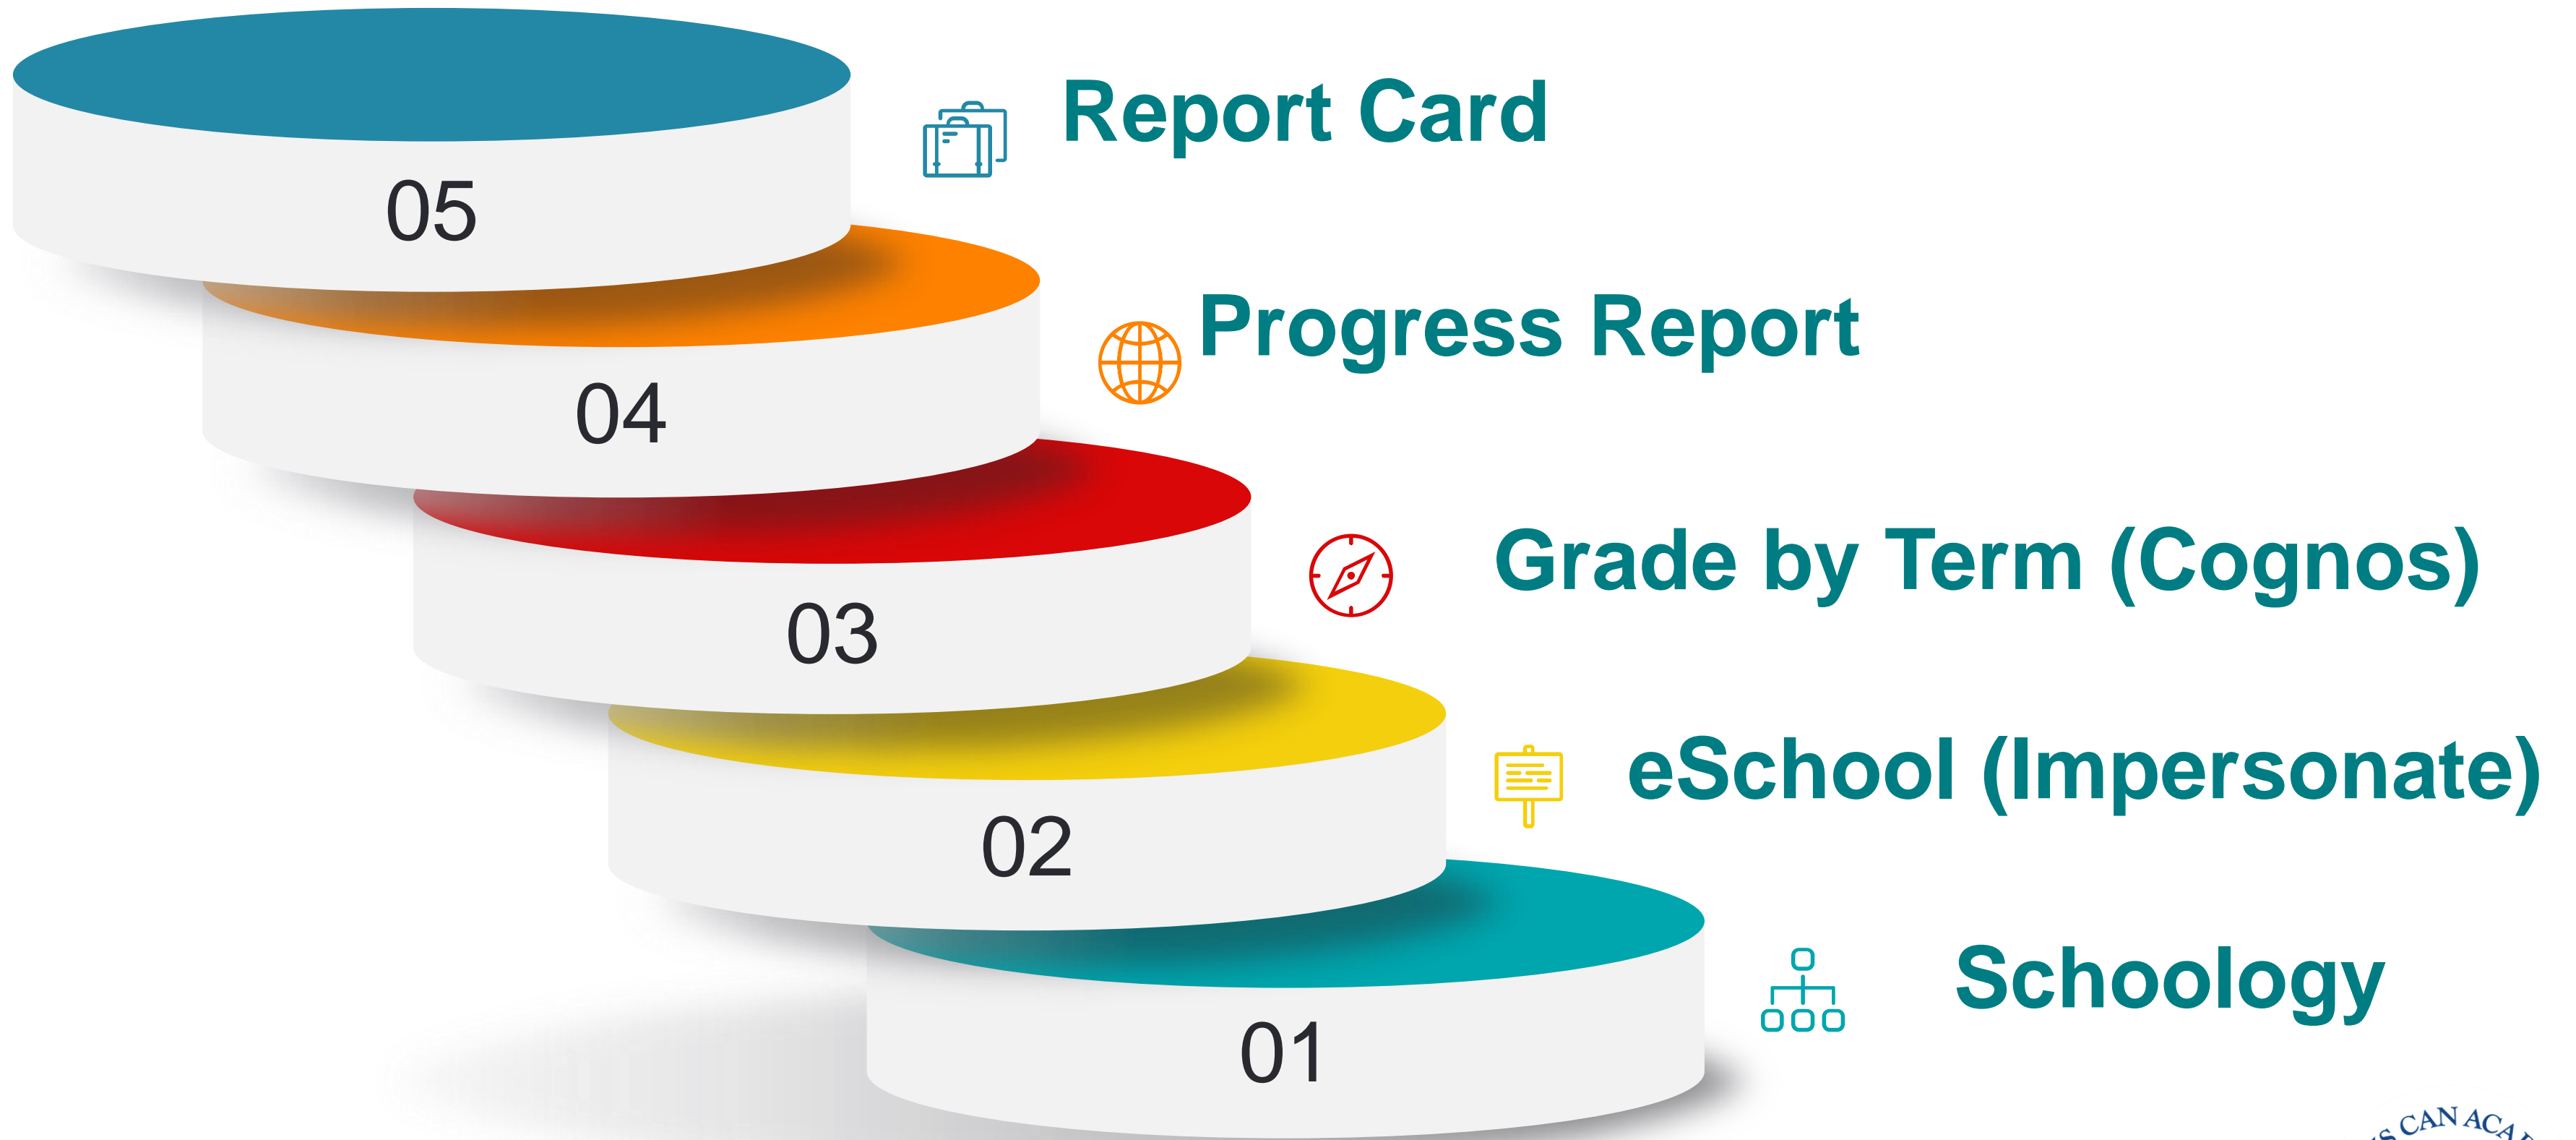

SIS

eSchoolPLUS™

Student Information System (SIS)

- Focus is on record keeping (student info, attendance, grades, discipline, etc...)
- Primarily used by school administrators, but can extend to students, teachers and parents.
